

Saratoga High School Colorguard & Winterguard

What is Color Guard?

Color Guard is the creative integration of flags, rifles, sabres, and other props with interpretive movement.

We perform alongside the Marching Band at outdoor competitions during the Fall in various locations across the state.

What is Winter Guard?

Winter Guard rehearses and performs indoors to often pre-recorded music, but embodies many of the same skills learned in the Fall season.

We perform as our own group in Winter Guard International (WGI) competitions throughout the state and country

Past Performances

Color Guard

Do I need experience?

Not at all!

We train you from the ground up. You do not need to have experience spinning or dancing to be successful at this activity. Our goal is to create a fun, immersive experience that teaches you the fundamentals of the activity.

Why should I join?

- Stick out from the crowd
- College applications love to hear about your extracurriculars. Fun fact: many colleges offer Color/Winter Guard teams. Many of them also offer scholarships!
- PE Credit
- Performance opportunities
- Learn/build upon these skills: communication, teamwork, leadership, accountability, critical thinking, improvisation, performance, emotional intelligence, and design.
- Meeting new people and creating memories that last a lifetime!
