All are invited for the full Music Department Informance to kick off the year! The evening begins in McAfee with Orchestra and Choir performances followed by a full music department parent meeting. Then make your way to the sports plaza to enjoy the Marching Band and Color Guard performance and get the first insider look into the 2023 field show! Every SHS music student should have at least one Parent / Guardian present at the Informance!

What is Informance?

Informance is a chance for the students to share and demonstrate what they have been working on for the past few weeks. A “performance” meant to inform!!

Volunteer Sign-Ups:

Head volunteers recruit much-needed helpers for the 2023 season. It’s a great way to be a part of the music family and see behind-the-scenes of the marching band and color guard world.
